

Crap...

That's  
a sturdy  
suit - Oi

You held  
your ground  
against  
12-gauge  
00-buckshot.

!?

I said,  
"this bulletproof  
tactical suit  
is made of  
multilayered  
carbon sheetsk  
that controls  
cell action  
potential..."

-Or was  
it the  
katana  
that I  
explained?

Didn't you  
say that  
you made  
a principle  
of not  
using guns?

You're  
not  
an  
ordinary  
human!

You're  
not  
ordinary  
either!

-A  
rather  
special  
one.

It's a  
drug.

Shit...

Her  
second  
punch  
was  
bait!

After  
I beat you  
to a pulp,  
I'm going to  
carry you  
off to the  
Family's  
office.

I've  
taken  
a liking  
to you!

You're  
giving  
me a  
hard  
time!

Then  
I'll shoot you  
up with speed  
and rape you  
like there's no  
tomorrow!

You seem  
like you  
would be  
worth  
raping.

-First,

I'm going  
to XXX  
my XXX  
in your  
XXX.

Stop  
it-

...S-

Then I'll  
XXX your  
XXX and  
won't let  
you XXX.

Stop...  
it!

I can't  
believe  
you  
could  
think up  
such  
d...  
disgust-  
ing  
things.

...Don't  
make  
me  
laugh!

... What?  
Are you  
about  
to-

.....

.....

.....

13

!?

You  
repulse  
me.

-Why  
you

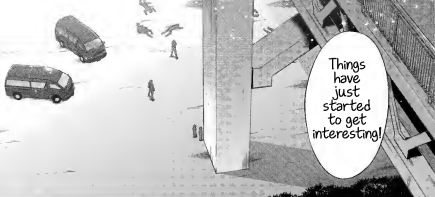

My  
arm...!

Heh.  
What  
do you  
expect to  
accomplish  
by  
stopping  
now!?

You're  
going  
to die.

...The  
out-  
come  
is  
clear.  
If this  
goes  
any  
further...

11

18 They're in my blind spot...

...Tch

As you thought!??

...As I thought, you're not ordinary.

I'll settle my dispute with you after I've disciplined my client for underestimating me.

So this was a double contract... I'm not being taken seriously.

It seems that my client hired a sniper as insurance.

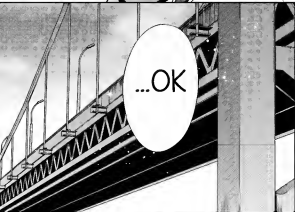

20

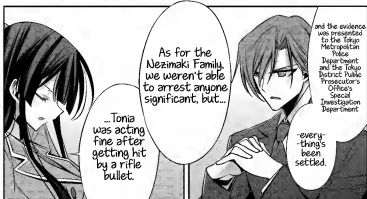

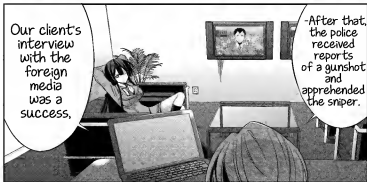

I'm leaving for today, but we'll meet again soon.

No-one  
is--?

At this  
time of day,  
the pool is  
reserved  
for her.

Tsukasar?

Wah!

Why is it  
reserved-

A  
mermaid...!

There's  
not even  
a scar...

I-

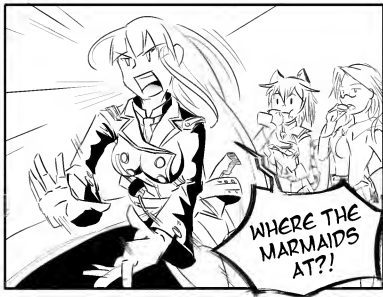

have a  
feeling that  
I'm searching  
for something.

Someone-

please  
find me-
